

# Q U I É T U D E

An untidy desk represents 150 hours of work lost every year! Practical and mobile, Buronomic pedestals and cupboards improve efficiency by helping you to organise your work and file your documents. Available in the same finishes as the desk furniture, the storage units will add an invaluable finishing touch to your work environments.

**YOUR EVERYDAY  
STORAGE SOLUTION**

---

# QUIÉTUDE

ESTHÉTIQUE

Practical, complete and sturdy, Quiétude cupboards and bookshelves are the ideal complement for filing and organising your daily work. A reliable storage range with wood or plain finish, with the same choice of finishes as the tables and desks. Quiétude adjusts to your office layout with various dimensions for your business needs.

## Details

1. Ergonomic metal handle as standard feature on the storage units. 2. Elegant two-material brushed metal soft touch handle. 3. Lateral filing drawers for easy document storage.

## Materials and warranty

Our industrial know-how guarantees the quality and durability of the materials used to make our furniture.

### STRUCTUREX® PANELS

Full panels of particles with melamine surfacing. Counter-balanced and treated against reflection. Thickness 16 to 25 mm. Density 680 kg/m<sup>3</sup> for the 25 mm panels. Tested as conforming to abrasion and hot & cold water resistance to the XP D60-050 standard.

### 5 YEAR GUARANTEE

The quality and durability of the materials enable us to guarantee all our ranges for 5 years under normal conditions of use.

### NF ENVIRONNEMENT

Product life cycle checked over the entire production line, from choice of materials to product end of life for environmentally-friendly products.

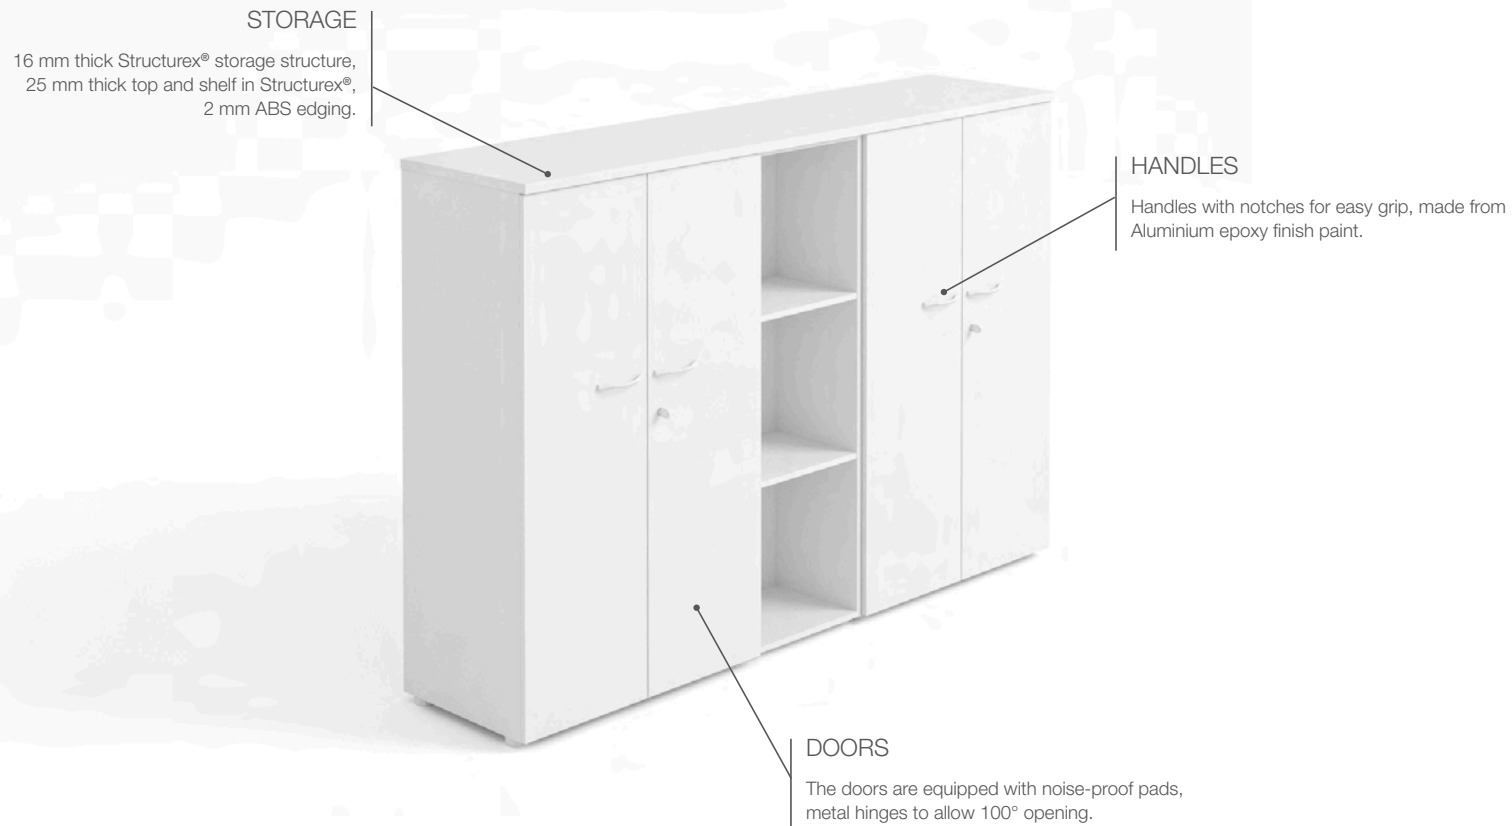

### NF OFFICE EXCELLENCE CERTIFIÉ

The mark of excellence, guarantee of Buronomic's commitment in a corporate social responsibility approach that focuses on people.

## + More details

---

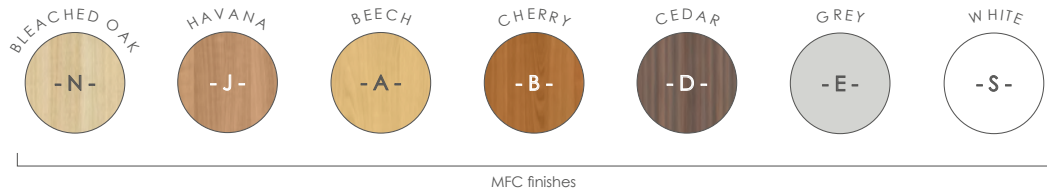

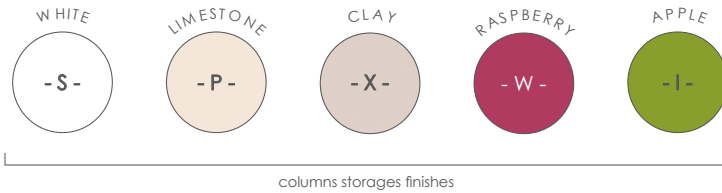

## Technical description

---

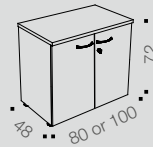

- 16 mm thick Structurex® storage structure, 25 mm thick top and shelf.
- 2 mm ABS edging.
- The units are equipped with screw jacks adjustable from the inside to compensate for any defects in the floor and so that several units of the same height can be aligned easily.
- The doors are equipped with noise-proof pads, metal hinges to allow 100° opening.
- 3-point locking system, locks have interchangeable cylinders and are supplied with two keys, one folding.
- The lateral filing drawers are equipped with selective opening and anti-tilt system.
- Handles with notches for easy grip, made from aluminium epoxy finish paint.
- Shelves are adjustable in steps of 32 mm, useful depth 36 cm.
- Lateral filing shelves in aluminium lacquered epoxy finish.
- Shelves install does not require any tools, with pre-dilled panels.
- Columns made from 16 mm Structurex® board with thin edging and equipped with screw jacks allowing up to 15 mm adjustment to compensate for any defects in the floor.
